NORTH TAMPA BAY, FLORIDA.

INVESTMENT OPPORTUNITIES

Pasco EDC operates a comprehensive suite of programs designed to attract and support businesses of all sizes from their first dollar to their next million. We promote Pasco County as an attractive location for companies to locate or expand, facilitate the retention and growth of existing businesses in the county, and foster entrepreneurship—activities that reinforce a strong business climate that can stimulate the creation of high-value jobs.

Join us in the effort to stimulate balanced and diversified business growth throughout Pasco County. When you support the Pasco Economic Development Council through your tax-deductible investment, you become an active participant in the creation of a vibrant business climate where every business can achieve its economic potential and provide jobs for residents in our community.

Economic development is everyone's business. Together, we share in the pursuit of creating a sustainable and diversified economy and share the belief that leveraging our financial resources and uniting our leaders will be the cornerstones of our success. Your investment in economic development is an investment that will create new opportunities for our generation and beyond.

What will my investment fund?

- The development, expansion and attraction of primary target industries to foster economic growth.
- Aggressive marketing to help tell the story of Pasco County to corporate executives, real estate professionals, site selectors and others that influence business relocation decisions.
- Research to help Pasco make more targeted decisions on which growth industries to increase its influence with the County Commission and state officials.
- The development of talent and workforce programs to meet the needs of local businesses.
