# Economic Security Is Business Security

*A strong  
economy  
depends on a  
secure  
foundation*

---

Businesses invest where risk  
is understood and managed

---

Safety impacts workforce  
confidence and retention

---

Secure communities attract  
capital, talent, and  
innovation

## The Cost of Unmanaged Risk

*Risk is not theoretical, it has real economic impact*

---

Disruptions can halt operations and revenue

---

Safety incidents affect brand reputation and trust

---

Uncertainty discourages expansion and relocation

# Partnership Drives Resilience

*Public safety +  
business =  
stronger  
outcomes*

---

## Collaboration between Pasco EDC and Pasco Sheriff's Office

---

Proactive risk awareness and  
information sharing

---

Prepared businesses recover  
faster and grow stronger

## Commitment to Business Confidence

*A secure  
Pasco is a  
competitive  
Pasco*

---

Commitment to long-term  
business stability

---

Focus on education,  
prevention, and  
preparedness

---

Shared responsibility for a  
thriving economy

# THANK YOU!
